Response to a request under the Freedom of Information Act

Request:

I would like to make a data request under the Freedom of Information Act.

(1) The number of attempts to access any websites categorised as pornographic content (as categorised by any IT security tools) from computers and other devices connected to the parliamentary network, in each of the last three years broken down by year, broken down by successful and unsuccessful attempts to visit those websites.

If you do not categorise such sites, please consider (2) in place of (1). If you do categorise such sites, please disregard (2).

(2) The number of attempts to access the below URLs from computers and other devices connected to the parliamentary network: pornhub.com, xhamster.com, redtube.com, eporner.com, porn.com, chaturbate.com and youporn.com, in each of the last three years, broken down by successful and unsuccessful attempts to visit those websites.

Response:

I can confirm that we do not hold this information, (Section 1 of the Freedom of Information Act 2000 (FOIA))

However, Section 16 of the FOIA informs that it is good practice to inform requesters where the information they seek may be held. In this case I suggest that you direct your enquiry to North Wales Police. They may be found at <http://www.north-wales.police.uk/accessing-information-1.aspx>

This information has been provided in response to a request under the Freedom of Information Act 2000 and is correct as at 27.05.2020.
