

# Police and Crime Commissioner for North Wales and Chief Constable of North Wales Police

## Annual Audit Letter 2022

This is our annual audit letter for the Police and Crime Commissioner for North Wales and Chief Constable of North Wales Police.

It summarises the key messages and conclusions arising from my statutory responsibilities under the Public Audit (Wales) Act 2004 and my reporting responsibilities under the Code of Audit Practice.

## The Police and Crime Commissioner's and Chief Constable's responsibilities

It is the Police and Crime Commissioner's (the Commissioner) and Chief Constable's responsibility to:

- put systems of internal control in place to ensure the regularity and lawfulness of transactions and to ensure that their assets are secure;
- maintain proper accounting records;
- prepare a Statement of Accounts in accordance with relevant requirements; and
- establish and keep under review appropriate arrangements to secure economy, efficiency and effectiveness in their use of resources.

Police bodies in Wales prepare their financial statements in accordance with the requirements of the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom. This Code is based on International Financial Reporting Standards.

## My audit responsibilities and conclusions

Each year the Auditor General audits the Commissioner's and Chief Constable's financial statements to make sure that public money is being properly accounted for.

The Public Audit (Wales) Act 2004 requires me to:

- provide an audit opinion on the accounting statements;
- review the body's arrangements to secure economy, efficiency and effectiveness in its use of resources; and
- issue a certificate confirming that I have completed the audit of the accounts.

We continue to recognise the huge strain COVID-19 has placed on public services and aim to work in a way that seeks to reduce the impact on public bodies' response to COVID-19, while still meeting our statutory duties.

## **The financial statements prepared by the Commissioner and Chief Constable present a true and fair view of their financial position and transactions**

The quality of the draft statements presented for audit on 31 May was good.

A number of changes were made to the financial statements arising from our audit work. The key matters arising from the accounts audit were reported to members of the Joint Audit Committee in my Audit of Financial Statements report on 10 October 2022.

On 17 October 2022, I issued an unqualified audit opinion on the financial statements for both the Commissioner and Chief Constable confirming that they present a true and fair view of each body's financial position and transactions. My report is contained within the Statement of Accounts.

The Annual Governance Statements and Narrative Reports accompanying the annual accounts were prepared in line with the CIPFA Code and relevant guidance. They were consistent with the financial statements and with our knowledge of North Wales Police.

## **I am satisfied that the Commissioner and Chief Constable have appropriate arrangements in place to secure economy, efficiency and effectiveness in their use of resources**

My consideration of the body's arrangements to secure economy, efficiency and effectiveness has been based on:

- the audit work undertaken on the statement of accounts;
- the results of the audit work undertaken on the Commissioner's and Chief Constable's systems of internal control, as reported in the Annual Governance Statement;
- the results of other work carried out by the Auditor General including our review of collaboration of emergency services in Wales and between the four Welsh forces;
- the results of the work of other external review bodies, eg His Majesty's Inspectorate of Constabulary and Fire & Rescue Services (HMICFRS), where relevant to my responsibilities; and
- any other work, including from Internal Audit, that I considered necessary to discharge my responsibilities.

For the purposes of my work, I evaluated the Commissioner's and Chief Constable's systems against a number of questions. This approach is set out in detail in **Appendix 1** to this letter. For each question, I consider whether there are gaps in the arrangements expected to be in place, and the significance of those gaps.

Based on the work I have undertaken, I am satisfied that the Commissioner and Chief Constable have appropriate arrangements in place to secure economy, efficiency and effectiveness in their use of resources.

## **I issued a certificate confirming that the audit of the accounts of the Commissioner and Chief Constable have been completed on 17 October 2022**

I received no electors' questions or objections in relation to the 2021-22 audit.

Having given an audit opinion on the financial statements and concluded on the Commissioner's and Chief Constable's arrangements to secure economy, efficiency and effectiveness in its use of resources, I was able to certify that the audit was complete when I issued my audit opinion.

### **Financial audit fee**

The financial audit fee for 2021-22 is currently being reviewed and is expected to be in line with the agreed fee set out in the Annual Audit Plan 2022.

Yours sincerely
